

To whom it may concern:

On behalf of Mindset Athletics Foundation, I would like to take a moment to introduce our organization and inform you of the importance it is for the youth in our area. Our program not only provides fun for these children, but much needed athletic mentorship activity which stimulates physical, cognitive, mental, and behavioral growth.

We are a 501(c)(3) non-profit organization that provides an extensive training program to Yuba and Sutter County, as well as surrounding communities. Mindset Athletics Foundation exists because our youth deserve the opportunity to achieve beyond what they can see. Mindset Athletics Foundation survives because of the many volunteers who dedicate their time coaching, building, and providing community relationships. Our commitment ensures Mindset Athletics Foundation continual growth with your donation. Together with your support and our vision, WE CAN!

“We cannot always build the future for our youth, but we can build our youth for the future.”
~ ***Franklin D. Roosevelt***
